

After School Programs Agreement for Cherry Chase Elementary Students and Parents

Cherry Chase After School Programs by the Cherry Chase PTA are offered with the intent to provide on site enrichment activities and learning experiences for children after the normal school day.

Please help make the experience enjoyable for everyone involved by agreeing to abide by these agreements. This document needs to be signed each new school year.

For Students:

- I will stay with my class, pay attention to the instructor and participate in the activity.
- I will be respectful, helpful, and kind to the instructor, afterschool program parent volunteers, and other students.
- I will use materials and supplies appropriately, and as directed.
- I will be respectful of school property and not touch things that don't belong to me.
- I will clean up after myself and help clean up the room before leaving.
- I will participate with a positive attitude, take turns and be an outstanding student citizen.
- If I am in TK, or Kinder, I will wait in my classroom after school and then walk to the afterschool program with my parent/guardian/authorized person who can check me out from the classroom.
- When the class is over, I will wait for my parent/guardian to pick me up, at the front gate of Cherry Chase Elementary School. If I am enrolled in Catalyst Kids, I will return to my afterschool childcare program.

- If my child is in TK or Kinder, I will also let the *program volunteer chair* know my child is absent and will not need to be picked up from class for the program.
- I understand that Cherry Chase After School Programs are supported by PTA volunteers, and our program may be cancelled if an after school program parent volunteer is not identified.
